BY THE PRESIDENT OF THE UNITED STATES
OF AMERICA

#### A PROCLAMATION

WHEREAS (1) section 350 (a) and (b) of the Tariff Act of 1930, as amended by section 1 of the act of June 12, 1934 entitled "AN ACT To amend the Tariff Act of 1930" by the Joint Resolution approved June 7, 1943, and by section 2 of the Act of July 5, 1945, provides as follows:

Sec. 350. (a) For the purpose of expanding foreign markets for the products of the United States (as a means of assisting in the present emergency in restoring the American standard of living, in overcoming domestic unemployment and the present economic de-pression, in increasing the purchasing power of the American public, and in establishing and maintaining a better relationship among various branches of American agriculture, industry, mining, and commerce) by regulating the admission of foreign goods into the United States in accordance with the characteristics and needs of various branches of American production so that foreign markets will be made available to those branches of American production which require and are capable of developing such outlets by afford-ing corresponding market opportunities for foreign products in the United States, the President, whenever he finds as a fact that any existing duties or other import restrictions of the United States or any foreign country are unduly burdening and restricting the foreign trade of the United States and that the purpose above declared will be promoted by the means hereinafter specified, is authorized from time to time-

 To enter into foreign trade agreements with foreign governments or instrumentalities thereof; and

(2) To proclaim such modifications of existing duties and other import restrictions, or such additional import restrictions, or such continuance, and for such minimum periods, of existing customs or excise treatment of any article covered by foreign trade agreements, as are required or appropriate to carry out any foreign trade agreement that the President has entered into hereunder. No proclamation shall be made increasing or decreasing by more than 50 per centum any rate of duty, however established, existing on January 1, 1945 (even though temporarily suspended by act of Congress), or transferring any article between the dutiable and free lists. The proclaimed duties and other import restrictions shall apply to

articles the growth, produce, or manufacture of all foreign countries, whether imported directly, or indirectly: Provided, That the President may suspend the application to articles the growth, produce, or manufacture of any country because of its discriminatory treatment of American commerce or because of other acts (including the operations of international cartels) or policies which in his opinion tend to defeat the purposes set forth in this section; and the proclaimed duttes and other import restrictions shall be in effect from and after such time as is specified in the proclamation. The President may at any time terminate any such proclamation in whole or in part.

(b) Nothing in this section shall be con-

(b) Nothing in this rection shall be construed to prevent the application, with respect to rates of duty established under this section pursuant to agreements with countries other than Cuba, of the provisions of the treaty of commercial reciprocity concluded between the United States and the Republic of Cuba on December 11, 1802, or to preclude giving effect to an exclusive agreement with Cuba concluded under this rection, modifying the existing preferential customs treatment of any article the growth, produce, or manufacture of Cuba: Provided, That the duties on such an article shall in no case be inferensed or decreased by more than 50 per centum of the duties, however established existing on January 1, 1845 (even though temporarily surpended by act of Congress). (48 Stat. 943 and 944, ch. 474, 57 Stat. 125, ch. 118, 59 Stat. 410 and 411, ch. 269; 19 U. S. C. (1840) 1351 (a), 19 U. S. C. (1940) Supp. V, 1351 (a) (2) and (b).);

WHEREAS (2) the period within which the President is authorized to enter into trade agreements under the said section 350 was extended by section 1 of the Act of July 5, 1945 until the expiration of three years from June 12, 1945 (48 Stat. 944, ch. 474, 59 Stat. 410, ch. 269; 19 U. S. C. (1940) Supp. V, 1352 (c).)

WHEREAS (3) I, Harry S. Truman, President of the United States of America, have found as a fact that certain existing duties and other import restrictions of the United States of America and the Republic of Cuba are unduly burdening and restricting the foreign trade of the United States of America and that the purpose declared in said section 350 (a) of the Tariff Act of 1930, as amended, will be promoted by a trade agreement between the Government of the United States of America and the Government of the Republic of Cuba;

Findings. (1) Pursuant to the provisions of Order No. 66 (7 CFR, Cum. INTERSTATE POWER CO. AND OGDEN CORP.
ORDER APPROVING ALTERNATE PLAN

At a regular session of the Securities and Exchange Commission held at its office in the city of Philadelphia, Pa., on the 24th day of December A. D. 1947.

The Commission, on January 24, 1947, having entered an order (Holding Company Act Release No. 7159) approving, pursuant to section 11 (e) of the Public Utility Holding Company Act of 1935 ("act"), a plan ("original plan") for the reorganization of Interstate Power Company ("Interstate"), a registered holding company and a subsidiary of Ogden Corporation ("Ogden"), also a registered holding company and on April 24, 1947, the District Court of the United States -for the District of Delaware having entered an order (modified by subsequent order of said Court dated November 14, 1947) approving and enforcing the original plan subject to the terms and conditions of the Commission's order of January 24, 1947; said plan providing, among other things, for the issuance and sale of new first mortgage boilds and new common stock; Interstate having invited competitive bids in respect of the proposed sale of said new bonds and common stock, and the Commission, on September 25, 1947, having entered an order (Holding Company Act Release No. 7739) and an opinion (Holding Company Act Release No. 7758) denying effectiveness to the declaration of Interstate in respect of the proposed issuance and sale of said new securities on the basis of the Commission's conclusion that "the issuance and sale of Interstate's new common stock at the price proposed to be paid to Interstate by the successful bidders would not effectuate a plan which would be fair and equitable to the persons affected thereby"; and Interstate having on October 29, 1947,

Interstate having on October 29, 1947, filed an alternate plan, pursuant to section 11 (e) of the act, such alternate plan providing, in general, for a reorganization of Interstate whereby there will be initially outstanding \$20,000,000 principal amount of new first mortgage

bonds, \$5,000,000 principal amount of new Debentures, 1,500,000 shares of new common stock of the par value of \$3.50 per share, and a minimum of \$1,000,000 principal amount of short term promissory notes; for raising working capital by Interstate; for the preservation of the relative rights of its security holders pending the resolution of issues relating to the rank and status of Ogden's present holdings in Interstate for sale of new first mortgage bonds, new Debentures and a portion of the shares of new common stock; for cancellation of the outstanding common stock and payment of the outstanding first mortgage bonds at principal amount thereof; and the deposit in escrow (for the benefit of holders of Interstate's securities junior to the outstanding first mortgage bonds) of the shares of the new common stock not sold to realize cash for the payment of the outstanding first mortgage bonds and for working capital; and

Said alternate plan\_having been filed for the stated purpose of complying with the provisions of section 11 (b) of the act and with the Commission's order dated May 20, 1943, directed to Ogden and its subsidiary companies requiring, among other things, that Interstate be recapitalized so as fairly and equitably to distribute voting power among its

Said filing including applications and declarations relating to the issuance, sale, acquisition, redemption, and retirement of securities as provided for in said alternate plan, and an application for exemption of the proposed sales of securities from the competitive bidding requirements of Rule U-50; and

security holders; and

Interstate having requested authority in conjunction with said alternate plan, but not as a part thereof, to issue and sell on or before April 15, 1948, to two banks, an aggregate of \$2,400,000 principal amount of collateral promissory notes, maturing December 31, 1948, bearing interest at the rate of 3% per annum and, in connection therewith, to issue an equal principal amount of its new first mortgage bonds to be pledged as security for said notes, \$1,000,000 of the proceeds of said issuance and sale of notes to be used by Interstate to retire and discharge an equal principal amount of its collateral promissory notes due April 15, 1948 and \$1,400,000 of said proceeds to be used for new construction; and

Interstate having also requested authority, in the event that said alternate plan is not consummated on or before April 15, 1948, to issue and sell \$3,000,000 or \$4,400,000 principal amount of collateral promissory notes maturing December 31, 1948, the amount depending upon whether the original plan, or no reorganization of Interstate, shall have been consummated on or before April

15, 1948; and

A public hearing having been held after appropriate notice, and the Commission having considered the record and having made and filed its supplemental findings and opinion herein; and

Interstate having requested that the Commission's order herein conform to the requirements specified in Supplement R and section 1808 (f) of the Internal Revenue Code, as amended; and

Interstate having requested the Commission, pursuant to section 11 (e) of the act, to apply to an appropriate District Court of the United States to enforce and carry out the terms and provisions of said alternate plan;

It is found, in accordance with the findings and opinion herein, that said alternate plan is necessary to effectuate the provisions of section 11 (e) of the act and fair and equitable to the persons

affected thereby;

It is ordered. Pursuant to section 11 (e) and the other applicable provisions of the act, that the said alternate plan be, and it hereby is, approved, and that the applications and declarations relating thereto be granted and permitted to become effective, subject to the conditions specified in Rule U-24 and to the following additional terms and conditions:

original plan;

(d) The application of Interstate requesting authority to issue and sell \$3,000,000 principal amount of collateral promissory notes in the event that the original plan is consummated in lieu of the alternate plan, or \$4,400,000 principal amount of collateral promissory notes in the event that Interstate is not reorganized on or before April 15, 1948;

(e) The issues raised concerning the rank and status of the securities of In-

terstate held by Ogden;

(f) The amount of Ogden's liability, if any, under the Contingent liability agreement proposed in said alternate plan, and in respect of interest payments heretofore received by Ogden from Interstate and not escrowed:

(g) The fair and equitable disposition of the assets heretofore escrowed under Escrow No. 1 and to be escrowed under Escrow No. 2 proposed in said alternate plan; and

(h) Süch supplemental plans as may be filed pursuant to section 11 (d) and

It is further ordered.
